

Historic Motor Racing News is the only magazine published specifically for historic competitors. If you need a complete race and rally calendar for European events, if you want to read reports of major race meetings and rallies with full results, if you want previews of upcoming events, details of eligibility and organisers' contact information, if you like to stay informed about FIA regulation changes and you want to be included in the discussion amongst competitors throughout Europe and worldwide then what are you waiting for, subscribe now!

Now entering its 18th year of publication, *Historic Motor Racing News* may be small but is jam-packed full of useful and reliable information.
